Bachelor's Degree in Computer Science

Ayya Nadar Janaki Ammal College 2016 - 2019 Sivakasi.

HSC

The Suburban Hr.Sec.School 2015 - 2016 Coimbatore.

SSLC

S.H.N.V. Hr. Sec. School 2013 - 2014 Sivakasi.

SKILLS

TECHNICAL SKILLS

Google Play Store Deployment

Demonstrated expertise in successfully uploading Android applications to the Google Play Store. Knowledgeable about the Play Store submission process, optimizing app listings, and ensuring compliance with guidelines for a smooth deployment.

App Store Deployment (iTunes)

Adept at navigating the App Store submission process for iOS applications. Skilled in meeting Apple's stringent requirements, optimizing app metadata, and facilitating a successful deployment on the App Store platform.

Firebase Cloud Message Service (FCMs)

Proven ability to effectively implement and leverage Firebase Cloud Messaging (FCM) service for seamless push notifications in mobile applications. Experienced in configuring FCM settings, optimizing message delivery, and ensuring reliable communication between server and devices.

Mobile Application Development

Creating user-centric mobile applications that seamlessly blend functionality and aesthetics. Proficient in languages such as Java, Kotlin, and Swift for platform-specific development, as well as cross-platform frameworks like React Native and Flutter. Emphasis on a smooth user experience, employing frameworks and libraries to optimize development processes.

Front-end Development

Front-end development focuses on creating the visual and interactive elements of a website or web application to ensure user-friendliness and visual appeal. This role demands expertise in HTML, CSS, and JavaScript. Additionally, developers often leverage frameworks and libraries for efficient development processes.
